**JANUARY 20, 2009**

Barack Obama is inaugurated as the 44th president of the United States. A former Illinois state senator and a U.S. senator, Obama made history when he was sworn in as the nation's first African-American president before record crowds and a global digital audience. The inaugural theme, "a new birth of freedom," also served to commemorate the bicentennial of the birth year of another U.S. president from Illinois – Abraham Lincoln.

A photograph of Barack and Michelle Obama at the inauguration ceremony. Barack is in the center, wearing a dark suit and a red tie, with his right hand raised in a gesture. Michelle is to his right, wearing a yellow patterned jacket. Other people in suits are visible in the background.
